Rosewood Parke Homeowners Association:

Hello and thank you for considering Taff Roofing, Inc. as a Rosewood Parke Homeowner Association "Preferred Contractor".

Taff Roofing, Inc. is licensed, bonded & insured. Our company is a member in good standing A+ rating with the Better Business Bureau and the Roofing Contractors Association of Washington.

Taff Roofing, Inc. is based in Black Diamond, Washington, approximately 5 miles south of Rosewood Parke. Established in 1991 by owner-operator, Tom Taff, we have become one of the most respected roofing contractors in the Puget Sound area.

Tom has 35 years experience in the industry and takes pride in personally supervising every job the company undertakes. His commitment to excellence ensures that each job is completed to the customer's satisfaction.

While we are able to undertake any type of roofing job our specialties are hot tar, torchdown, shake, and composition. We are a small family operated company that pays attention to quality installation and our customers' needs. When you speak - we listen.

Taff Roofing, Inc never sub-contracts any work. If we don't do it in-house, we don't do it. Our foreman has been with our company for 12 years and Cory Taff, Tom's son, is training to continue on the family business. Tom Taff oversees the work crews, and personally handles all estimates. Tom's wife, Lorianne, manages the office activities.

We at Taff Roofing, Inc are pleased to enter into an understanding with the Rosewood Parke Homeowners Association. We are excited to offer an automatic \$500.00 discount to all Rosewood Parke residents. In addition, residents may earn an additional \$250.00 'Good Neighbor' discount. This requires 3 residents to sign and schedule their roofs back-to-back.

We look forward to a long and positive relationship with both the Association and the residents of Rosewood Parke.

Thank you for your consideration,
Tom & Lorianne Taff
